

Our Vision

At Ghost Hill Infant and Nursery School we nurture curious, kind, and confident learners from the very start. Through a rich and inclusive curriculum, we place character education and personal development at the heart of every child's journey. This enables them to make excellent progress from their starting points. We believe in the power of early enrichment—offering inspiring opportunities that spark imagination, build resilience, and foster a lifelong love of learning. Our school is a warm and welcoming community where children, families, and staff grow together in partnership, building strong foundations for a bright and purposeful future.
